

HEAVY DUTY™ AGRICULTURE

Marathon is everything you want in a partner, with over 130 years of lubricant experience.

- **Premium Performance Quality** – We subject all our oils to the harshest million-mile tests. The results? We meet or outperform the higher priced competition. Our Radial Polymer Technology resists engine shear and maintains viscosity so it reaches all critical engine parts fast, even at low temperatures. Powerful detergents keep engines clean in longer intervals between oil drains.
- **Responsive Customer Service** – Have questions? You deserve fast answers from knowledgeable experts on a mission to support your business.
- **Competitive Pricing** – We believe reliable, superior quality products shouldn't mean inflated prices. If you want a brand that delivers dependable performance at surprisingly competitive prices, we are your brand of choice.
- **Wide Product Slate** – Your customers have diverse needs, and our vast product catalog features the right products to get the job done. From ATF to greases, we proudly offer the highest quality products to our customers.

Products endorsed by the API and ILSAC.

LUBRICANTS THAT GO THE EXTRA MILE

360° PROTECTION

// Engine Oils

- Marathon Multipower-3 Elite® 15W-40 & 10W-30
- Marathon Multipower-3 Monograde
- Marathon Multipower-3 Plus® 15W-40
- Marathon VEP 30

// Transmissions

- 577 Marafluid Super HT
- Marafluid T-04

// Hydraulic Components

- 577 Marafluid Super HT
- Marafluid-4 T04-4 Fluid
- Multipurpose Hydraulic AW Oil
- VHV1 Multigrade Hydraulic Oil

// Gear Components

- Multipurpose 571 80W-90 & 573 85W-140 Gear Oil
- Full Synthetic 75W-90 and 80W-140 Gear Oil
- Multipurpose DM ATF

// Bearings

- Super Maraplex EP2
- Maratrac Red
- Maratrac Black

UNCOMPROMISED QUALITY FOR OVER 130 YEARS.

		Gear Components	Hydraulic Components	Engine Oils	Transmissions	Bearings
Maraf fluid-4 TO-4 Fluid	Transmission & drivetrain fluid featuring highly-refined base oil, premium additives, & friction modifiers.		✓			
Multipurpose Hydraulic AW Oil	Hydraulic oil with anti-wear protection, oxidation, & corrosion inhibition. Offers up to 5,000 oxidation hours.		✓			
VHVI Multigrade Hydraulic Oil	Hydraulic oil with anti-wear & cold temperature additives. Adds extreme pressure protection, shear stability, & dielectric application.		✓			
Marathon Multipower-3 Elite® 15W-40 & 10W-30	Million-mile tested synthetic blend heavy-duty engine oil. Delivers soot dispersion, piston cleanliness, and wear control.			✓		
Marathon Multipower-3 Monograde	High-performance heavy-duty motor oil ideal in older four-stroke engines. Combats sludge build-up and corrosion.			✓		
Marathon Multipower-3 Plus® 15W-40	Heavy-duty engine oil used in severe diesel service where increased heat and stress protection is required.			✓		
Marathon VEP 30	Premium quality heavy duty motor oil. Prevents low speed pre-ignition (LPSI) and counters corrosion and engine rust.			✓		
577 Maraf fluid Super HT	Universal Tractor Hydraulic Fluid delivering extreme pressure protection, oxidation & corrosion resistance. Extends drain intervals. Meets J20C, J.J Case/Case Int. MS-1204, 6, 7, 9, Kubota Super UDT, UDT2, Massey Ferguson M1135, M1143, M1145, & more		✓		✓	
Maraf fluid-4 TO-4	Transmission & drivetrain fluid featuring highly-refined base oil, premium additives, & friction modifiers.				✓	
Super Maraplex EP2 Grease	NLGI #2 lithium complex grease with extreme pressure protection. Resists water washout, easy pumpability, combats rust & corrosion.					✓
Maratrac Red Grease	NLGI #2 lithium complex grease for extended use applications. Boasts heavy-duty properties and water & rust resistance.					✓
Maratrac Black Grease w/ 3% Moly	NLGI #2 lithium complex grease featuring 3% Moly to offer EP protection. Improved water washout and reduced metal contact.					✓
Multipurpose 571 80W-90 & 573 85W-140 Gear Oil	Extreme pressure lubricants with thermal stability, corrosion, rust, & sludge protection and seal compatibility.	✓				
Full Synthetic 75W-90 & 80W-140 Gear Oil	Premium synthetic base stock offers low pour point & extended drain intervals. Decreases deposit formation & improves fuel economy.	✓				
Multipurpose DM ATF	Select Group II Base oils and additives provide oxidation control & low temperature operability.	✓
